## POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.  
If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

It rained at Lewisburg and Helena yesterday.  
Rev. W. T. Spears went to Brown county Tuesday.

Mr. James Chinn of Manchester, O., has been visiting in the county.

Mr. Logan Marshall of Desha Valley was visiting at Washington Tuesday.

Farmers who had sown wheat before the recent rains are very fortunate.

Every member of Maysville Lodge, B. P. O. E., is expected to be present at the next meeting.

More rain fell at Washington yesterday and last night than has fallen the whole season before.

Times are getting pretty dull in Kentucky when men have to go all the way to Ohio to be lynched.

Grass is coming on nicely since the rains and may afford much pasture yet before cold weather.

One person counted 420 buggies that passed through Washington yesterday on the way to this city.

John Dingley has sold the W. J. Donaldson farm of 86 acres at Keannrd to G. T. and J. S. Craycraft. Consideration \$2,500.

There are as many people on the street this morning left over from yesterday's influx as is usually here on an ordinary circus day.

The crowd at the Circus yesterday was variously estimated from 12,000 to 16,000. Whatever the right figure may be, it was a whopper.

Mrs. N. D. Taylor, will arrive from Kansas City today on a visit to relatives of her husband, the late Mr. Duke Taylor formerly of this county.

Misses Esther and Mary Dougherty and Miss Annie O'Connell of Cape May, N. J., will arrive at noon today for a visit to Mr. and Mrs. Thomas A. Davis.

Colonel Charles C. Degman came down yesterday from Springdale to deliver his annual pumpkin to The Ledger Man—and incidentally to see the circus parade. One was about as big as the other, with the advantage that the pumpkin will last longer.

Lady's 14k Gold Watch \$20; lady's 14k gold filled twenty-five year case \$15; a lady's 14k gold filled twenty-year case \$10. Boy's Watch, Nickel case, stem wind, \$2.50. A Lady's Sterling Silver Watch, Stem Wind, \$5. Gents' Watch at same reduction.

MURPHY, the Jeweler.

Money back if not satisfactory.

Thomas Lowry, who was arrested as he stepped off of No. 6 yesterday morning by Constable Matt Chisholm, charged with lifting a \$50 diamond from the cravat of Mr. W. R. Varian a former citizen of this place, now traveling for a Cincinnati firm, while on the train coming to this city, had an examining trial before Judge Whitaker and was held in the sum of \$500 for his appearance. In default he was committed to jail.

## ODDFELLOWS NOTICE.

The Rev. W. G. McCready will deliver a sermon to the Oddfellows of this city Sunday evening at 7 o'clock, October 11th, in the Church of Nativity. Members of DeKalb, Ringgold and Friendship Lodges will meet in their Hall at 6:30 and all go in a body.

THOMAS J. FARLEY.

Maysville lost by death this morning one of her oldest citizens.

Mr. Thomas J. Farley, born in Charleston, W. Va., October 20th, 1819, died at his home in East Sixth street at 4:15 o'clock after an illness of about four weeks.

At one time in his life Mr. Farley was Marshal of the city of Maysville, and during the War had served as United States Marshal.

He is survived by his wife and six children—Mrs. James Frost of Covington, Mrs. Bottle Davidson of Maysville, Mrs. Lounna Whaley of Blueicks, S. C. Farley of Little Rock, Ark., T. J. and W. B. Farley of this city.

The funeral will take place some time Saturday, the final arrangements not yet having been completed.

THE LEDGER leads in all, and is the favorite paper of the people.

## New Veilings at Mrs. L. V. Davis's.

Last night Ringgold Lodge agreed to erect an addition to the Beehive property.

## LIVERYMEN MIXED UP.

## Numbers Washed Off of Vehicles, Causing Much Confusion.

Never before, as was the case yesterday, have the liverymen of this city been teased as to their capacity of providing and taking care of an immense crowd.

Everything would have gone along swimmingly had the rain been left out.

The numbers marked on the buggies to designate the ownership were washed off by the drenching rain and when called for confusion worse confounded ensued, as the stablemen could not distinguish one man's buggy from the other.

As a result of this Babylonian confusion hundreds of country people were compelled to remain in the city over night in hopes that the tangled web might be unraveled this morning.

## SERIOUS ACCIDENT.

## Barouche Struck By Streetcar, But Occupants Escaped Injury.

The most serious accident of the incidents of yesterday was the mishap to a barouche in which were seated a nurse and Thomas Edward Pickett, the four-year-old son of Mr. George T. Harboure and grandson of Dr. Thos. E. Pickett. The barouche was standing on the streetcar track in front of Mr. Wells's residence in the East End, when a streetcar bowled along at a ten-mile gait, and before the driver could get out of the way the car struck the \$1,100 vehicle of Danlton Bros. and spoiled its beauty to the amount of a good many dollars.

The nurse with the child on her lap was within all unconscious of impending danger. The car struck the barouche amidship, the horses broke loose and confusion and fright reigned.

Most fortunately the injury to the occupants was trivial, but what might have been is fearful to contemplate.

The nurse, after being taken from the wreck, was found to have received only a slight bruise on the forehead, and Thomas Edward was free from hurt, owing to the faithfulness of his attendant.

## GREATEST SHOW ON EARTH.

## Immense Throng Yesterday to See Barnum & Bailey's Circus.

Barnum & Bailey's Circus has come and gone, and by the thousands who went out yesterday afternoon the event is not likely to be forgotten soon.

It was all that it was advertised to be, the "Greatest Show on Earth," and it is estimated that between 10,000 and 12,000 people witnessed the afternoon performance.

The show came up in several sections from Cincinnati early yesterday morning and at once began the work of unloading and putting up the big canvas in East End hall park.

It was nearly noon before the parade started from the ground, the procession coming round via the Fleming pike. The most imposing spectacle was the huge wagon to which were driven forty splendid horses, all the lines being handled by one man. The herd of twenty elephants was a sight also that had never been seen in Maysville, and with all the other animals, handsomely carved wagons, bands, etc., the parade well represented the immense program given under the canvas.

Barnum & Bailey's menagerie is an education in itself. Here are brought together representatives of the animal kingdom from every part of the world, on a scale unequalled by any other similar organization. In here also are shown the living human wonders of the circus, to the curious a source of study and thought.

Under the main canvas the program opened with a display that gave some idea of the number of people who are connected with the circus, and throughout the aerial artists, the magnificent horses, and fearless riders, and the acts given by the trained elephants, dogs, chickens, pigeons, etc., almost made the spectators wish for a dozen eyes as that nothing would be missed.

The circus managers evidently "stood in" with the Weather Man, judging from the hours the people were compelled to stay after the performance closed. About 4 o'clock a rain amounting almost to a cloudburst swept over the city, and few dared to brave the storm in an effort to get home.

The crowd was wholly unprepared for the "shower" that kept up with so much persistence, and every available means of transportation was called into use to get the people home.

However, it is safe to say that even with this additional display by the Weather Man a mass of more contented people never left a circus ground, for they had seen Barnum & Bailey's Greatest Show on Earth.

## He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" John Wesley, because once telling is not enough. It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by J. Jas. Wood & Son.

## Cartmell extracts teeth without pain.

Mr. James Blackham of Woodford county was here to attend the funeral of Mrs. Laura Dimmitt, his sister-in-law.

The nineteenth annual reunion of the survivors of the Seventieth Ohio Regiment will be held at Rome, Adams county, O., Thursday and Friday, October 15th and 16th.

Mr. George Farwick, who has been working in Cincinnati for the past year, will leave that city next Sunday for Omaha, where he has accepted a position in a large plant.

The Rev. Henry E. Gabby officiated at a wedding at Owensboro a few days ago that for brief courtship carries off the palm. Mr. Samuel Bottom of Louisville and Miss Willie Alexander met at the home of a friend and within six hours after their introduction were made husband and wife.

## All kinds of School Supplies are sold at Ray's Postoffice Drugstore.

Mrs. Nation didn't carry on to any great extent when appraised of the demise of her husband, it seems.

Mrs. L. V. Davis is now prepared for the fall trade with a choice line of Millinery, and confidently invites an inspection of correct styles.

Those who were absent from the city, or were prevented from registering Tuesday by reason of sickness, can, on making oath to the facts, register at the County Clerk's office on Monday, Tuesday or Wednesday, October 26th, 27th or 28th.

Never compare prices without comparing quality; you will find more difference in quality than you will in price. See our monuments and markers before buying elsewhere. MURRAY & THOMAS.

## TOWELS LEAD THE VAN TODAY.

Some of the Most Irresistible Towel News You Ever Read.

It's the innings of the Towels today. We signalize the opening of our new store by a series of splendid towel offerings—towels of sterling quality, towels we fully recommend, towels at notable price concessions. Every reduction set forth below has been newly made today from yesterday's prices and if you are at all familiar with Hunt linen prices you'll know how low those were. Here are Towels for every possible household use—all, of course, linen, except the cotton bath towels. And all at remarkable price reductions. This new linen store of ours is truly the housekeeper's paradise.

HUCKABACK TOWELS—Choosing blindfold among these towels would be safe but to wide open eyes there's delicious satisfaction in picking from the varied styles of towel goodness among the huckabacks. Bleached and unbleached, heavy, sturdy Devon weaves, excellent absorbers, washed and hemmed, all white or bordered. In four sizes at 10c, 12½c, 19c and 25c, the latter substantially hemstitched.

## D. HUNT & SON.

## LIZZIE EVANS IN "AT COZY CORNERS."

The Columbus (O.) State Journal of October 4th says: Miss Lizzie Evans appeared at the Great Southern Saturday, matinee and night, and scored a hit in a simple little play, "At Cozy Corners," in which she enacts the star part. The play is not unknown to Columbus, having been exploited here last season by Miss Adelaide Thurston. Miss Evans is not quite so simple and sweet as Miss Thurston but she is more skilled and effective as an actress, and has, moreover, more nearly apprehended the psychology of the part she interprets. Miss Evans also possesses a very attractive appearance and dresses well, thus giving the side lights that any stage impersonation may reasonably be expected to have. Since its last performance in Columbus, the play has been slightly made over. Its cast has been made numerically stronger and some of the comedy element has been altered.

At the Opera-house, Saturday, matinee and night, October 10th.

Seats now on sale at Ray's Drugstore.

## The Salve That Heals

Without leaving a scar is DeWitt's. The name Witch Hazel is applied to many salves, but DeWitt's Witch Hazel Salve is the only Witch Hazel Salve made that contains the pure unadulterated Witch Hazel. If any other Witch Hazel Salve is offered you it is a counterfeit. E. C. DeWitt invented Witch Hazel Salve, and DeWitt's Witch Hazel Salve is the best salve in the world for cuts, burns, bruises, sores, or blind, bleeding itching and protruding piles. Sold by J. Jas. Wood & Son, Drugists.

## Mrs. L. V. Davis's Fall line of Millinery is now complete.

John R. Carter of Augusta has been granted a patent on a coupling.

Rev. W. T. Spears will go to Cynthiaana next week to attend the meeting of Synod.

The little son of Mrs. Arthur Wood, who has been so ill, is now in a fair way to recover.

Mr. Charles J. Hunter was elected as the representative of the Washington Presbyterian Church to the Synod that meets next week at Cynthiaana.

Mrs. Carrie Nation, when she lived in Woodford county many years ago, was a pupil at the Christian Church Sunday-school of Mr. Richard Davenport of Midway, now more than ninety years old, the father-in-law of Mr. Thomas S. Forman formerly of this county.

## \$100—Reward—\$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O.

Sold by Drugists, 75c.  
Hall's Family Pills are the best.

# When Buying a Suit or Overcoat

For yourself or boy you naturally want the best for the least money. The best goods are always the cheapest, and as we buy and carry in stock more clothing than all the other stores in Maysville combined, our large purchases give us advantages that enable us to give you the best of merchandise at no bigger cost than you would probably pay for lower graded clothes elsewhere.

A word about the "Fits" we give you: Perfect fitting garments are desired by everyone, whether he pays \$10 or \$25 for a Suit or Overcoat. Now, "there" is a thing we are more particular about than the majority of our customers. We just WON'T let a garment go out of our house unless we are pleased. See them. We want you to take a glance at the Stein-Bloch Cravenette Coat specially made for us. People who know say it's the handsomest garment they ever looked at. This coat is used both for Overcoat and Raincoat.

If you are going to hunt this season buy a pair of our Milford High Top Shoes. They are strictly (guaranteed) water proof. They sell everywhere for \$6; we sell ours for \$5.

THE HOME STORE. D. HECHINGER & CO.

DAMASK TOWELS—Fine, large, snow white damask towels. Ornamental as well as useful for they are pretty enough to decorate bureau, sideboard and towel rack. 22x40 and only 25c.

BATH TOWELS—"The unspeakable Turk" gave us the idea of bath towels. Put that to his credit at least. Philadelphia produces the best cotton Turkish towels. Their use grows yearly as more and more people realize they are bigger for the price, afford a brisker rub down and are more absorbent than other towels. Four sizes, 5c, 12½c, 15c, 25c.

GLASS TOWELING—Checked glass toweling, pure linen, absolutely lintless, 10c.

ROLLER TOWELING—8c from 10c, bleached and unbleached Scotch, twilled toweling, 16 inches wide, neatly bordered. That all may share this bargain, not more than six yards will be sold one customer.

Other excellent roller towelings at 10c and 12½c reduced from 12½c and 15c. Stevens' genuine pure linen English crash.

DISH TOWELING—From many good numbers we speak of two.

Brown twilled toweling, called the "wear-well," 5c yard. Excellent crash 18 inches wide. Extra good value when regularly sold at 10c, now 7½c yard.

# The Question

Now is, Who Can Help You Most With Your Fall Shopping?

The answer is partly told in this advertisement, but fully told by a visit to the store. Today's talk will be on ready-made goods, and this department we are especially proud of, for we believe that there are few stores that show and sell the amount of ready-made goods that we do. (Of course we mean towns the size of Maysville.)

## LADIES' SUITS.

We are told daily that the best line of Suits in town is here, and at the rate we are selling them there is no doubt of it. Suits from \$10 up, but we are selling more from \$15 to \$35.

## CLOAKS.

From the one-day-old to the any age, and while the weather is warm of course you don't feel like buying, but did you know that the best choice is the early one. Almost a thousand garments to select from, and where in Northern Kentucky can you get such a selection? Come and look, even if you are not ready.

## MUSLIN UNDERWEAR.

We fit up most of the brides from the five counties around us. Who is more particular than a bride? The best of undergarments are had here and fair prices rule.

## SHIRTTWAISTS.

In this line even our competitors admit we are supreme. "The Royal," the Queen of the land; the best stores in every town carry it. Prices \$1.49 and up.

## WRAPPERS and DRESSING SACKS.

A little department by itself, but hardly an hour passes in the day that some lady isn't made happy by the provision we have made for her home comfort. 79c up, and all cut full.

## HATS.

Trimmed and ready-to-wear. For the very highest price hats you must go to the millinery store—we are only after the lady that cares to save a few dollars on a hat. \$10 Hats for \$5, and we please you at the start—no coming back to see if it fits.

THE W. C. T. U. has no doubt done many things that deserve censure; but why it should be visited by CARRIE NATION during its Cincinnati meeting is beyond conjecture.

THE Mauser Company of Germany is working on an order for 200,000 rifles, and the Berlin Ammunition Company on the making of 100,000,000 cartridges. Under these circumstances, of course, the world cannot afford to remain at peace.

THE monthly statement of the Government receipts and expenditures show that the total receipts for September were \$44,969,818, and the expenditures \$38,430,963, a surplus for the month of \$6,538,855. The total receipts for the three months of the present fiscal year exceeded the expenditures by \$5,590,375.

WITH the records for perjury and forgery made by NOAKS, GOLDEN, CULTON, ANDERSON, YOUTSEY, and the Honorable GEORGE FRANKLIN WEAVER, all of TOM CAMPBELL'S "Star Witness Troupe," it looks like honest people ought to get their eyes opened to the enormity of the Campbell-Goebel scheme to swear away the lives of innocent men.

## GOV. BRADLEY'S CALL TO DUTY.

Chairman John C. Wood of the Republican Speakers' Bureau has received the following letter from former Governor Bradley:

Louisville, Ky., October 24, 1903.  
Hon. John C. Wood, Chairman Speakers' Bureau—Sir: Had my health justified I would have spoken for the Republican party before this, and shall certainly speak as soon as able. The best interest of the state requires the election of the Republican ticket, and I trust that no man will be found who is not willing to do his duty. I hope that no effort will be spared to register the vote in the cities and towns of the Commonwealth, and in the absence of a full and proper registration we cannot hope to win. Your friend,  
W. O. BRADLEY.

THERE'S a big streak of good sense located in the neighborhood of this educator's backbone. President Church of Butchell College, Akron, O., recently suspended every one of the pupils of that institution excepting three, because they indulged in a "color rush" after he had forbidden the incorporation of that particular branch of study in the curriculum of that school. It is now in order for the remaining three to join in working off their official "yell"—"Hoo-Re, Wah-Hoo, Wah-Hoo, Hallaballoo, Hallaballoo, 'Rah, 'Rah, 'Rah, Buchtel, Buchtel, Buchtel!"

John Adams and Thomas Marsh were burned to death as the result of an explosion of gas at an oil well in Wayne county.

Willis, Frederick M. and Burton Van Wormer, brothers, convicted of the murder of Peter A. Hallenbeck, their aged uncle, in 1901, were put to death in the electric chair at Dannamora, N. Y.

The private property of Queen Draga is being claimed by the legal representative of her sisters. It includes a private yacht, which was presented to her by the citizens of Belgrade about a year ago.

There were cremated last year in the United States 3,158 bodies, England 452, Germany 856, Italy 322, France 4,805—of which 305 were paid for; paupers are cremated—Switzerland 217, Sweden 44, Denmark 44.

American Poles have petitioned the Pope to appoint suffragan Bishops of their own nationality in cities like New York and Chicago, as there they number several hundred thousands, and would pay the Bishops' stipends.

The German Reichstag has made an appropriation for heavier rails and ties for the Berlin-Zossen Railway, upon which the widely advertised high-speed electric trains failed a year ago because the track was too light.

## Do Good—It Pays.

A Chicago man has observed that "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who ought truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger what-so-ever from pneumonia when you use that medicine. It always cures. I know it, for it has helped me and many a man." Sold by J. Jas. Wood & Son.

A CABLEGRAM from Belgrade says "King PETER opened the Skupstina on October 7th." This, in all probability, was followed by the Skupstina opening a few cold bottles.

JUDGE THOMAS R. GORDON of Louisville, in a suit against the Norton Infirmary, has decided that a charitable institution is not liable for damages in case a patient meets with an accident while being cared for.

MRS. JOHN BEAN of Mitchellville, N. Y., 65 years old, has given birth to twins. Her daughter, who lives in the neighboring township, presented her husband with twins about the same hour. Before congratulations were finished, Mrs. BEAN'S granddaughter sent word that she had just become the mother of two healthy children. Looks like they'd "bean" reading Teddy's discourse on "race suicide."

THE Hydraulic Brick Company of Louisville has filed a suit in the Federal Court against the Bricklayers Union for \$50,000 damages. The concern claims its business has been damaged to this extent as a result of a boycott declared on it by the Union men. A few righteous judgments against the Walking Delegate, and a few terms behind the bars for that important disturber, will make a crimp in the boycott business.

PETER OLSEN ELLIOTT, the heavily armed Minneapolis man who made an effort to force his way into the presence of the President, is an ardent Socialist with Anarchistic tendencies. He has been very abusive of American institutions and our form of Government, and there is little doubt, if he had succeeded in gaining access to the White House, but what the Nation would today have been mourning the assassination of another President. Maybe, after the Anarchists have blown up the Capitol and killed all the present "trimmers" in the Senate and House, a Congress can be found which will pass laws to throttle these blood-thirsty outlaws.

"Why is it," asked a citizen a few days ago, "that with a tax rate of \$1.25 the city built the Limestone Bridge, the Fifth Ward Schoolhouse and paid off the Water-works Bonds, and now that no such improvements are going on the tax rate still remains at \$1.25?" This good citizen has evidently overlooked the newly-invented methods of "getting away" with money. It requires a nice sum to pay the increased Police Force; to pay for boarding and guarding prisoners; to maintain guests at the Almshouse at Central Hotel rates; to put down a brick gutter in January and to tear it up and put down another one in July; to scatter rock on the streets in August, grind it to powder in September, and cart it away as mud in October. Besides it costs more to hire a supernumerary than it would to pension him—and that's why so many people who are not physically able to do a day's work for private individuals are employed on public work. The taxpayers of Maysville are "dead easy."

The will of Richard W. Foster of Clinton, Mass., contains a bequest of \$25,000 for Harvard University.

Sir Michael Herbert, British Ambassador to the United States, died Wednesday at Davos-Platz in Switzerland of consumption. The seriousness of his condition was known to only a few persons.

Fennedy R. Stumpff, 70 years of age, is the first man convicted of perjury in the effort of the Indiana authorities to break up matrimonial steering in Jeffersonville. He was given from two to fourteen years in the Indiana State Prison.

The public debt at the close of business September 30th last, less the cash in the Treasury, amounted to \$917,752,545, a decrease for the month of \$6,171,812. The amount of the National Bank notes in circulation was \$420,426,535, an increase for the year of \$53,432,937 and for the month of \$1,838,560.

CONSTITUTIONAL AMENDMENT  
To Be Voted On at the November Election.

## CHAPTER 50.

An act to provide for an amendment to Section 181 of the Constitution of Kentucky.

"The General Assembly may, by general laws only, authorize CITIES OR TOWNS OF ANY CLASS to provide for taxation for municipal purposes, on personal property, tangible and intangible, based on income, licenses or franchises, in lieu of an ad valorem tax thereon;

"Provided, cities of the first class shall not be authorized to omit the imposition of an ad valorem tax on such property of any steam railroad, street railway, ferry, bridge, gas, water, heating, telephone, telegraph, electric light or electric power company."

"I wrote to Doctor Pierce, who sent me a very kind letter and advised me."

Thousands of weak and sick women can trace the beginning of a new life of perfect health to that letter written to Dr. Pierce.

Sick and ailing women are invited to consult Dr. Pierce, by letter, free. All correspondence held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription cures weak and aching backs, headaches, nervousness and other womanly ailments by curing the womanly diseases which cause them.

"In the spring of 1890 I became very ill," writes Mrs. Alvina Scholz, of Lake Washington, Lesueur Co., Minn., "my back was very weak and ached so that I could do no work at all, so I was obliged to take to my bed. I felt a constant desire to urinate and the pains in my abdomen were almost unbearable. I wrote to Dr. Pierce, who sent me a very kind letter, and advised me to take his 'Favorite Prescription' and 'Golden Medical Discovery.' I took six bottles of each and am a well woman now. I cannot say enough in favor of Dr. Pierce's medicines."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets are the most desirable laxative for delicate women.

BAD FINANCIAL SHAPE

Beckham's Bad Management of Kentucky Affairs

EQUALS HIS BAD PARDON RECORD

Mismanagement of Finances of State by Beckham is Paralleled by His Disgraceful Political Pardon Record. Incapacity and Extravagance of Beckham Machine Plainly Shown by the Figures.

(From the Louisville Herald.)

Governor Beckham's pardon record is paralleled by his financial achievements. At Bowling Green the governor expressed indignation that the Republicans should claim credit for the successful financial showing of the Bradley administration, which left office with more than a million in the treasury. Mr. Beckham said:

"That statement would lead you to believe that Mr. Bradley actually delivered this much money to the Democrats. The truth is, this money was left to W. S. Taylor and his crowd. During their rule of something like two months they spent most of this money, and instead of turning over \$1,100,000 to us, as Colonel Belknap tells you, Taylor and his associates turned over to us \$363,000. I say turned over to us, but I don't mean that. They ran away and left us with that much. I do not know how they happened to leave us with that sum, but they left some of us with our lives, and we were so glad that we did not have time to think of how much money they were taking."

Governor Bradley found on taking office a floating debt of \$1,800,000 left him by previous Democratic administrations. When he retired from the governorship the total cash balance in the treasury was \$1,060,425.05. It is puerile to foist on to the disturbances arising out of the stealing of the governorship and other state offices all the blame for the incapacity and extravagance of the Beckham machine. And the result of the election of 1899 been loyally accepted by the defeated minority the sound financial administration of the state's finances inaugurated by Governor Bradley would have been continued. The interruption in Republican rule has been a sad and costly experience for Kentucky—the state's money looted by adventurers.

There has been in three years of exclusively Beckhamistic rule, from July 1, 1900, to June 30, 1903, an increase in the current expenses of the state over three years of the Bradley administration, from July 1, 1896, to June 30, 1899, of \$1,116,973.51. There was, on the other hand, an excess of ordinary receipts under Governor Bradley of \$373,251.09. Taking out the \$1,323,999.35 collected by the Beckham administration from the United States for interest on the war claim, \$71,000 of which went into the pockets of Captain Calhoun, the ordinary receipts for three years of the Bradley administration were \$13,857,906.48; the ordinary receipts of three years of undisputed and continuous Beckham rule, ending June 30, 1903, were \$13,484,655.39.

The financial record of the Beckham administration is one of incompetency and recklessness. It shows in every department a disregard for the public interest; but in all respects and in every detail betrays a determined and unbroken fidelity to every machine interest and purpose. The Beckham administration is bound, band and foot, to a gang of grafters and ringsters, who boldly deny the right of the people to select their own rulers. The issue is plain. Shall the people of Kentucky entrust their finances to a gang bent only on self-aggrandizement, or install at Frankfort a thoroughly competent and business-like administration? We feel free to admit that the Democratic party has within its ranks ample material for the furnishing of an able and competent state administration. But the Democratic party has not been permitted to select its candidates. The machine has forced its slate of incompetents, weaklings and grafters on them, and the state finances are to be made, unless the people resist, the prey for four years more of rapacious looters. Kentucky will prevent the perpetuation of the reign of graft and looting.

THEIR ONLY "ARGUMENT."

(From the Paducah Sun.)

The Democrats of Kentucky have now resorted to personal abuse. The only criticism that has been made by Republicans of Democratic officials was as officials, and no attack has been made on their private character. Yet, doubtless, for want of better argument, the Democrats have begun to assail the private character of every man who makes a speech for the Republican cause, from Colonel Belknap to some of the speakers who are not candidates. Abuse never helped any cause. If the Democrats have no bet-

ter grounds for wanting to be elected to office than these they are indeed short of campaign material.

Even the poor penitentiary guards must deliver their pound of flesh or, rather, steak to the Shylocks domiciled in simplicity hall.

"I can hear of no disaffection anywhere," says Chairman Hager. Bids will be received at Democratic headquarters for an ear trumpet.

HON. W. C. OWENS  
Answers Beckham and McChesney.

(From Somerset Speech.)

"Every private citizen who dares to oppose the unscrupulous gang of boodlers that now have the state by the throat has denounced and hounded by them, as if to oppose them were a criminal offense. A few days since at Williamstown one McChesney, a candidate on the Democratic ticket, took it upon himself to declare that I was a refugee from Scott county, and also to repeat a false and slanderous charge concerning me made by Senator Goebel in his canvass for governor. On the day after Goebel made the charge I proved by the record that his statement concerning his own record was untrue, and denounced his statement concerning me in terms that he would not have submitted to had he felt that he was telling the truth. He had sense enough and discretion enough, however, to refrain from referring to the subject again, and it remained for the empty and unfurnished mind of McChesney to revamp the miserable falsehood. I exhaust the capacity of the English tongue to say of him that a more deliberate falsifier or a more brainless charlatan never robbed the state in the name of the Democratic party."

BARDSTOWN'S "LITTLE BOY BLUE."

"Later, at Georgetown, a 'Little Boy Blue' from Bardstown, who, if the laws of the state had been impartially enforced, would long ago have been sold for vagrancy, and who has been named by the Democrats as their candidate for governor, for lack of an answer to criticisms of his administration, says proper to repeat the charge and add that I had been guilty of running the young men of Scott county and was a refugee from the moral people of that county."

"I waive the fact that every man who heard him knew that the charge was untrue and absurd—for the good people of Scott county only a year or two before had given me the most enthusiastic support in my race for congress that any people ever gave to any man, while the Republicans of Scott county this very year complimented me by casting the vote of their county for me for the office of governor. Whether those honors were merited is not for me to say, but it must be left to the people of Scott who paid them and who have known me since childhood."

CAUSE OF BECKHAM'S IRE.

"But, waiving all this, what must the people of Kentucky think of this creature who, holding the once dignified office of governor, answers charges against his administration after this fashion?"

"The cause of his ire was my statement that I did not believe that Captain Calhoun got all of the \$71,000 allowed him as commission by Governor Beckham. The governor's brutal tirade will be accepted by right-thinking people as a plea of guilty entered for himself by himself."

IS IT POSSIBLE?

(From the Mayaville Ledger.)

One of these days the Kentucky Democracy will come to the conclusion that John G. Carlisle is a greater man than Percy Haly. That will be the beginning of some wisdom—it will also be the beginning of better and honest days.

WHY MARCUM IS DEAD.

(Cynthiana Log Cabin.)

Notwithstanding all that has been said regarding the Breathitt county assassinations, the fact remains unchallenged that J. B. Marcum would be alive today if Governor Beckham had sent troops to Jackson when Captain John Patrick asked for them. Patrick fled from Jackson to save his life, but wrote that if the governor would give him military protection he would go before the Breathitt county grand jury and indict the murderer.

(From the Lexington Herald.)

The primary election, so-called, held in Covington on Saturday, is another demonstration of the unfortunate political condition in that city and county. For years the factional divisions of the Democracy of Kenton have been a scandal, and worse—they have been the source of much evil to the Democratic party of the state. If one-tenth is true that the contending factions have charged against each other for many years, the condition there is indeed shocking. What effect this heated and bitter primary will have in November we know not, but it is not a savory feast to offer at this time to the people of Kentucky as an illustration of the good government promised by Democratic success.

Gained Forty Pounds in Thirty Days.

For several months our younger brother had been troubled with indigestion. He tried several remedies, but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on the Tablets.—Holley Bros. Merchants, Long Branch, N. J. For sale by J. Jas. Wood & Son.

**"My Sons,"**

said a great business man, "are my partners and they need all the strength and courage I can give them," and he forthwith paid for a \$1,000,000 policy in The Mutual Life Insurance Company of New York. Not without the most careful investigation, however, extending over six months. He was convinced by just such facts as led the President of a National Bank in New York to make the curious and shrewd provision in his will, which is contained in "A Banker's Will." Write for it and also for the account of the \$1,000,000 policy, "The Largest Annual Premiums."

Kodol digests what you eat—makes the stomach sweet. Sold by J. Jas. Wood & Son, Druggists.

**CLIMATIC CURES.**

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion and a regular use of German Syrup. Free expectoration in the morning is undecertain by German Syrup; so is a good night's rest and the absence of that weakening cough and debilitating night-sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.
